## LEED STATEMENT

### What is Armourcoat Surface Finishes?

An interior decorative finish designed for walls, ceilings, and columns. The components used in the system are mostly mineral based, procured in Europe, and distributed from Great Britain. Most of the materials are required to be mixed with water and are hand applied to the surface.

### Recycled Content per sqft of Finished Area & VOC

<u>Standard Finish</u>	<u>Pre-Consumer</u>	<u>Post Consumer</u>	<u>VOC</u>
<b>Polished Plaster: Spatulata P-80</b>	0 %	0 %	Low
<b>Polished Plaster: Armuralia P-50</b>	0 %	0 %	Low
<b>Polished Plaster: Smooth</b>
